

Luigi ONNIS
(Italy)

Board of EFTA-TIC
Member of the coordinating body

Luigi Onnis is the Training Director of IEF COS, and one of the founders.

He is Professor of Psychiatry, Clinical Psychology, and Systemic Psychotherapy at the Rome University “La Sapienza”. He is founder of EFTA.

He is regularly invited for seminars, conferences, supervisions by the most important Family Therapy Institutes in Europe, Canada and America.

He developed many research projects: among them, those on systemic approach to psychosomatic conditions are internationally known.

He is founder and editor of “Psicobiettivo”, a journal which promotes a confrontation among different psychotherapy approaches. He is author of more than 350 papers, published in national and international journals and of 18 books edited in various languages.
