

**Mony ELKAÏM
(Belgium)**

***Chair of EFTA-TIC
Member of the Coordinating Body***

Mony Elkaïm M.D. is a neuropsychiatrist and psychotherapist. In 1990, with the help of colleagues from the “European Family Therapy Network”, he created E.F.T.A. He chaired the organization from 1990 to 2001.

He is presently the Honorary President of the European Association for Psychotherapy (E.A.P.). He is also the director of the Institute for Family and Human Systems Studies in Brussels, a consultant at the Universtiy Hospital Erasmus and Honorary Professor at the Free University of Brussels. His many books are widely translated.

He also direct a bi-yearly journal in French on family therapy and a series on psychotherapy for the “Editions du Seuil” in Paris.
