

4th Meeting of Trainers

We are happy to announce the 4th Meeting of Trainers
to be held in beautiful Toulouse, France
September 19th – 21st, 2008.

The theme for the meeting is:
“Training in Family Therapy: Integrating, Content, Form and Relationship”

We invite you to join us in an event *exclusively* for trainers where we can interact and mutually learn and support each other on a theme which is so important to our profession.

The venue of the meeting is the Institut d'Etudes de la Famille where the Director, Eric Trappeniers, has most graciously offered to host us.

Registration fees will be largely financed by the funds of the EFTA-TIC Chamber so as to secure a modest charge for participants.

Registration before April 15th: 180€ for EFTA-TIC Member Institutes
250€ for non EFTA-TIC Members
60€ for Former Eastern European countries

Registration after April 15th: 250€ for EFTA-TIC Member Institutes
300€ for non EFTA-TIC Members *
80€ for Former Eastern European countries

* The registration fee will be regarded as the first year's subscription for those Institutes that will apply and become EFTA-TIC Members after the meeting.

In the custom of EFTA-TIC meetings, all presentations will be interactive and illustrative in nature. Places for presentations are limited. Priority will be given to Colleagues presenting for the first time at a TIC meeting.

We look forward to receiving your proposals for presentation in what promises to be a creative meeting.
